Re: Request for Certificate of Correction

Consideration has been given your request for the issuance of a certificate of correction for the above-identified patent under the provisions of Rule(s) 1.322.

Inspection of the application for the patent reveals, however, that in connection with the alleged errors to which applicant refer; the patent with regard to applicants request is considered printed in accordance with the records of this office as passed to issue by the examiner. There being no fault on the part of the Patent and Trademark Office, it has no authority to issue certificate of correction under the provisions of 35 U.S.C. 254 and Rule 322 of the Rules of Practice of the United States Patent and Trademark Office in Patent Cases.

To further consider applicants request, a request for reconsideration filed under 37 CFR 1.323 which includes the required fee of \$100.00 or a reconsideration filing together with documentation in support of applicants request filed under 1.322 should be submitted. Required documentation may include acknowledgement of receipt.

Further correspondence concerning this matter should be filed and directed to Decisions & Certificate of Correction Branch. Any telephone inquiry concerning this communication should be directed to Ms. A. Green at (703) 308-9380 ext. 123.
